Skills

As a web developer I have hands on experience on building full-stack project "react and Django", alongside I have indulged myself to explore PHP, Java, Figma, Javascript, Python and Typescript to broaden my knowledge on programming world

Experience

Herald College Kathmandu / Junior Frontend Developer

July 2024 -September, Kathmandu, Naxal

As a junior developer, I have assisted in the development and maintenance of various web pages. I gained hands-on experience in React Js, Tailwind CSS, Shadcn and NextJS to create user friendly interfaces. I take active participation in team meetings, where ideas are pitched to make the system as per the system requirement specification.

High-Speed / On-The Job Training

August-2022 - December 2022, Tamghas, Gulmi

As the assistant Service provider, I spearheaded the maintenance of hardware devices and Networking maintenance. I have had the opportunity to work for a company to gain knowledge on hardware and networking systems from basics to inner working of the entire system.

Education

Herald College Kathmandu /BC's Hons (BIT)

September 2024 -Present , Kathmandu

Focused on programming, especially on web development, where I have indulged myself into different programming languages i.e. Java, Javascript, Typescript, python, Django, React, PHP. Participate in the contribution to the web development community.

Siddhababa Secondary School /NEB, T-SLC (Computer Engineering)

2012 - 2023, Tamghas

Privileged to explore the IT world in the early age, Overview of contemporary technology along with the development of systems, web application, Mobile app with proper planning for sustainable system.
